

## Drain Hose

### When you just can't reach

ULX106

#### DESCRIPTION

This drain hose for dishwashers and front load washing machines with a 20mm diameter drain hose is flexible and adaptable.

The extra-long 2.6 metre drain hose can accommodate most spaces.

Available at leading electrical retailers

#### CONTENTS

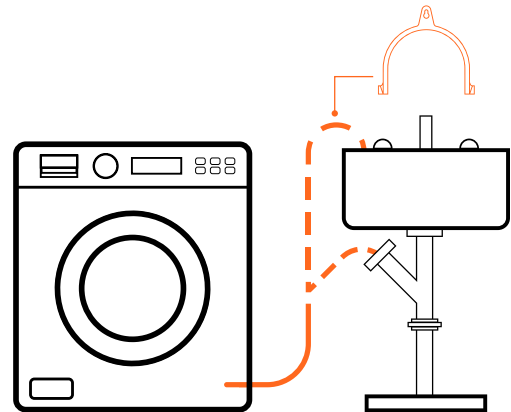

- 1 x Flexible drain hose - 2.6m
- 1 x Hook adaptor - wall mountable

#### INSTRUCTIONS

- Securely attach to the waste water outlet on your washing machine or dishwasher ensuring no twists or kinks in the hose (as per diagram)
- Attach the hook adaptor and secure either to the wall or tether with string to a tap
- Monitor the attachment at first use to ensure there are no leaks

#### INSTALL

HOOK ADAPTOR - WALL MOUNTABLE

#### TIPS

- Some tools may be required
- To avoid personal injury, use correct equipment and ask for assistance when moving appliances

#### SUITABLE FOR MOST BRANDS INCLUDING:
