

Dishwasher Cutlery Basket

Clever, space-saving basket system

ULX201

DESCRIPTION

This sturdy universal cutlery basket is suitable for most 45cm and 60cm model dishwashers. It's ideal for extra cleaning capacity at busy times or to replace a worn-out basket.

No more cutlery sliding through the cracks to the dishwasher floor.

Available at leading electrical retailers

CONTENTS

1 x Modular cutlery basket with folding handle

FEATURES

- Detachable modular compartments
- Space saving handle folds away to prevent interference with the spray arm
- Cutlery supports also fold away for increased flexibility
