

Anti-Vibration Pads

Protect your floors and reduce noise

ULX202

DESCRIPTION

The Unilux anti-vibration pads help absorb the vibrations from your appliance and keep it firmly on the floor, protecting it from scratches. Vibration pads are W 57/65mm x H 20mm in dimensions.

CONTENTS

- 4 x pads in each pack. 65mm in diameter

SUITABLE FOR MOST WASHERS, DRYERS & DISHWASHERS

TIPS/ FEATURES

- Reduces noise & vibration of your machine.
- Reduced movement of your machine protects your floors.
- Place the vibration pads under the feet of your machine to reduce movement which can cause damage to floors and noise during machine operation.
- Quick and easy installation. Suitable for Front Load washers, Top Load washers, Dryers & Dishwashers

INSTALLATION

- Ensure the appliance is level (screwing the feet) before placing the pads beneath.
