

Rangehood Filter - Activated Carbon

Enjoy cleaner, fresher air in your kitchen

ULX251

DESCRIPTION

Capture odour, oils and grease released during cooking and prevents them from being directed back into the kitchen.

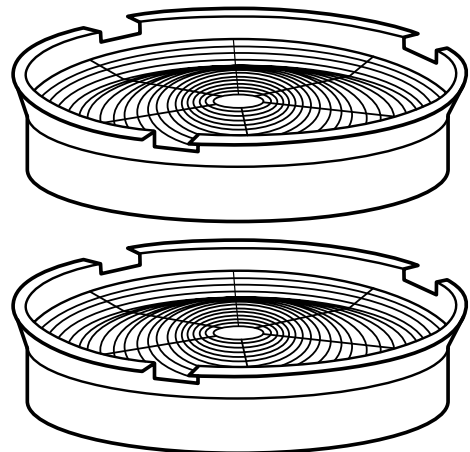

TIPS/ FEATURES

- It is recommended to change your filters regularly, every 3-4 months, depending on the amount and style of cooking.
- Saturated filters can restrict airflow and the performance of your rangehood.
- Replacement carbon filter for model ARCFD

CONTENTS

The following items are included in the kit.

- 2 x activated carbon filters

INSTALLATION

Always follow the instructions from the manufacturer for your model.
